**Invitation to Participate in the
6th National Science and Engineering Fair in the Philippines (NSEF) 2027**

The National Science and Engineering Fair Philippines (NSEF) Organizing Committee and STEM hub Global invite your schools to participate in the 6th NSEF 2027, to be held on February 20-21, 2027 at UST-Angelicum College, Quezon City.

The activity will showcase outstanding scientific researches, engineering innovations and creative discoveries of Filipino students. More than competition, NSEF provides opportunities for student researchers to present their research projects and receive feedback from experience panel members, exchange ideas with fellow researchers from across the country, develop confidence in scientific communication, critical thinking and research presentation.
