MAR 12 2026

ESTELA P. LEON-CARIÑO EdD, CESO III
 Regional Director and
 Concurrent Officer-In-Charge
 Office of the Schools Division Superintendent of Benguet

Dear Dir. Leon-Cariño,

Greetings !

In celebration of the global observance of World Water Day, the Water Resources Utilization Section (WRUS) under the Licenses, Patents and Deeds Division (LPDD) of the DENR-CAR Regional office is embarking on an important campaign that highlights the significance of freshwater and promotes the sustainable management of water resources for the benefit of present and future generations.

Recognizing the role of the youth and women in water use and management, the DENR shall conduct the “Chanum ket Biag”- an annual celebration dedicated to empowering the community through information drives and workshops focused on the importance of water, and awareness of the status of water-use and supply in their respective areas.

In view of the above, this is to inform you of the event scheduled on March 17, 2026, from 8:00 AM to 5:00 PM. Thirty (30) students from Celo Haight Elementary School—comprising ten (10) students each from Grades 3, 4, and 5, and thirty (30) students from Franklin Guy Haight National High School, consisting of ten (10) students each from Grades 8, 9, and 10, if allowed, shall be participating in the conduct of the activity within their school premises. To ensure effective supervision and smooth coordination throughout the event, three (3) personnel from each participating school shall also be invited to work with our team in overseeing the students.

Should you have any questions or require further information about the scope of the proposed activity, please do not hesitate to contact us directly through the WRUS email at wrusdenrcar@gmail.com or through our staff, Gwendelyn W. Bulasao-Humiwat by phone at 0999-154-9622.

We look forward to your favorable response on this meaningful initiative.

Very truly yours,

ENGR. PAQUITO T. MORENO, JR., CESO III
